

Chocolate

Catherine Brentnall

Verse 1

Delicious, scrumptious, appetising chocolate,
Tasty, yummy, full of flavour, chocolate.
Displayed in shops for you to see,
Packaged oh so beautifully,
Its tantalising smell is so inviting.
Delightful, tempting, irresistible chocolate,
Mouthwatering, sweet and scrummy chocolate,
Whether milk or dark or white,
I can't wait to take a bite,
Opening it up is so exciting!
It takes a lot of work to make a chocolate bar you know,
So when you hand your money over where does it go?
Retailers and manufacturers take a decent share,
But cocoa farmers often don't, it really isn't fair.

Chorus

The story of chocolate starts with the cacao tree,
Farmers who grow them, they work so tirelessly,
Make sure the farmers are properly paid,
When you buy chocolate make sure it's Fairtrade.

Verse 2

Lots of tasty things are made from chocolate,
Buttons, eggs and coins made out of chocolate,
Chocolate's used in lots of cakes,
Hot chocolate and cold milkshakes,
All of these are equally enticing.
It takes a lot of work to make a chocolate bar you know,
So when you hand your money over where does it go?
Retailers and manufacturers take a decent share,
But cocoa farmers often don't, it really isn't fair.

Chorus

The story of chocolate starts with the cacao tree,
Farmers who grow them, they work so tirelessly,
Make sure the farmers are properly paid,
When you buy chocolate make sure it's Fairtrade.

Bridge

Time for harvest to begin,
Cut the pods and look within,
Remove the beans and set aside,
Till they're ready to be dried.
Lay them out, let the sun,
Dry them, each and every one,
Bag them up, sell them then,
Prepare yourself to start again.
Prepare yourself to start again.

Chorus

The story of chocolate starts with the cacao tree,
Farmers who grow them, they work so tirelessly,
Make sure the farmers are properly paid,
When you buy chocolate make sure it's Fairtrade.
When you buy chocolate make sure it's Fairtrade.
