

Don't Step On A Bee

Iain Gilmour

Chorus

Don't step on a bee,
Please tread carefully,
When taking a stroll,
Keep the death toll,
As low as can be.
Don't step on a bee,
Avoid tragedy,
Wherever you trek,
Please double check,
Don't step on a bee.

Verse

Part of growing crops is pollination,
Fertilise the seeds and make them sprout,
Farmers cannot do this with a tractor,
This is when an insect helps them out.
Nearly always it's a bee that's helping,
But there aren't as many as before,
Every little one of them is precious,
Keep the numbers high we do implore you to.

Chorus

Don't step on a bee,
Please tread carefully,
When taking a stroll,
Keep the death toll,
As low as can be.
Don't step on a bee,
Avoid tragedy,
Wherever you trek,
Please double check,
Don't step on a bee.
