

Children In Need

Simon Roberts

Verse 1

Everyone is different,
Ev'ry child needs a chance,
Don't excuse not looking round.
We have to know, and we have to be sure,
Ev'ry child can be found.

Too late for sorry,
Don't say you didn't know,
Put your faith on the line.
It's your turn for giving, it's our chance to show,
That we'll always make time.

Chorus

Let's tell the whole world that we're in this together,
And we're working each day to succeed.
And in our own way we are helping each other,
By giving to Children in Need.

Verse 2

It doesn't matter, how little you have,
It's all you can give.
There's a glory, a prize to be won,
In wanting to live.

Too many stories, too young for broken hearts,
A fallen promise or vow.
But we can change things, no looking back,
We can make the change now.

Chorus

Let's tell the whole world that we're in this together,
And we're working each day to succeed.
And in our own way we are helping each other,
By giving to Children in Need.
By giving to Children in Need.
