

# Deep, Deep Down In The Sea

Emily Barden

N.B. Every line is echoed apart from the final line.

Swim, swim, swim go the fish in the ocean,  
Swim, swim, swim go the fish in the sea.  
Swim, swim, swim go the fish in the ocean,  
Deep, deep down in the sea.

What can you see when you look in the ocean?  
What can you see when you look in the sea?  
What can you see when you look in the ocean?  
Deep, deep down in the sea.

Whales and sharks like to swim in the ocean,  
Whales and sharks like to live in the sea.  
Whales and sharks like to swim in the ocean,  
Deep, deep down in the sea.

Swim, swim, swim go the fish in the ocean,  
Swim, swim, swim go the fish in the sea.  
Swim, swim, swim go the fish in the ocean,  
Deep, deep down in the sea.

Jellyfish sting as they float in the ocean,  
Jellyfish sting as they float in the sea.  
Jellyfish sting as they float in the ocean,  
Deep, deep down in the sea.

Turtles snap at the fish in the ocean,  
Turtles snap at the fish in the sea.  
Turtles snap at the fish in the ocean,  
Deep, deep down in the sea.

Swim, swim, swim go the fish in the ocean,  
Swim, swim, swim go the fish in the sea.  
Swim, swim, swim go the fish in the ocean,  
Deep, deep down in the sea.  
Deep, deep down in the sea.  
Deep, deep down in the sea.
