

D'ya Think It's Gonna Rain, Dear?

Out of the Ark Music

Verse

D'ya think it's gonna rain, dear?
I think it's gonna snow.
The weather hasn't changed here in so many years,
But the reindeer, they would know.

D'ya think it's gonna rain, dear?
(spoken) My, my, my, let's check those predictions!
I think it's gonna snow.
(spoken) Ninety-nine percent chance of snow!
The weather hasn't changed here in so many years,
But the reindeer, they would know.

Chorus

We've got sheets of snow in the north,
So you'd better keep yourselves warm.
We've got a lightly-dusting, icing-sugar-frosting Snowfall on its way.

So, here's the latest weather report:
That you'd better stay in the warm.
So, get your elf gloves, elf hats,
Coats from tiny coat racks,
You'll need them today!
It's the same as any other day!

Verse

D'ya think it's gonna rain, dear?
I think it's gonna snow.
The weather hasn't changed here in so many years,
But the reindeer, they would know.

But the reindeer, they would know.

Chorus

We've got sheets of snow in the north,

So you'd better keep yourselves warm.

We've got a lightly-dusting, icing-sugar-frosting Snowfall on its way.
