

Fairy Tales

Iain Gilmour

We've got some stories to tell you,
To amuse and entertain you,
We've got some fairy tales today.
Hope you find something you like here,
You'll be glad you spent some time here,
Hope you like our fairy tales today. (5 claps or foot stamps)

And we'll be seeing the goats and the little pigs,
Racing the tortoise and hare,
Meeting the wolf and the puss in his boots,
And playing with Baby Bear.
Climbing with Jack up his beanstalk,
Greeting the dwarves and Snow White,
Cinders and Hen, but Beauty's snoozing again,
And Elves making shoes all night.

As we tell you our fun tales, tall tales,
Really not at all tales,
Our tales, your tales,
Hope they do not bore tales,
Long tales, short tales,
Fairy tales today. (5 claps or foot stamps)

And we'll be seeing the goats and the little pigs,
Racing the tortoise and hare,
Meeting the wolf and the puss in his boots,
And playing with Baby Bear.
Climbing with Jack up his beanstalk,
Greeting the dwarves and Snow White,
Cinders and Hen, but Beauty's snoozing again,
And Elves making shoes all night.

We've got some stories to tell you,
To amuse and entertain you,
We've got some fairy tales today.
