

# Fake It – Make It

Out of the Ark Music

## Verse 1

Now I recall, we were very small,  
But our brains were bigger than yours are now.  
Soon you'll learn, you can start to earn,  
Wave goodbye to morals, we're selling out!  
Coz we're oh so sneaky and stealthy,  
Now we're oh so suddenly wealthy.

## Chorus

### Group 1

If you can fake it,  
make it cheaper than the competition.  
If you can sell them,  
tell them anything to make them listen.

It's the best time of year  
to make a penny or two.

### Group 2

I've got a lesson in business for you.

Do what you can just to shake on a  
deal.

It's the best time of year  
to make a penny or two.

## Verse 2

Market well and they'll never tell,  
That the gift inside is a waste of time.  
Flash a smile, go the extra mile,  
And then have them sign on the dotted line.  
Coz we're oh so sneaky and stealthy,  
Now we're oh so suddenly wealthy.
