

# Fire, Fire!

Heather Uden

**N.B. On the Performance Track, London's Burning is performed once in unison then once as a four-part round at the beginning of the song.**

London's burning,  
London's burning,  
Fetch the engines,  
Fetch the engines,  
Fire, fire!  
Fire, fire!  
Pour on water,  
Pour on water.

It all began in Pudding Lane in Old London Town,  
The fire quickly spread, and burned the wooden houses down.  
The sky was red with flames, and the smoke was black and thick,  
We remember the Great Fire of sixteen sixty-six.

For three full days it burned through all the narrow crowded streets,  
They couldn't stop the flames, they couldn't bear the searing heat.  
So many homes destroyed, so many people left perplexed,  
We remember the Great Fire of sixteen sixty-six.

London's burning,  
London's burning,  
Fetch the engines,  
Fetch the engines,  
Fire, fire!  
Fire, fire!  
Pour on water,  
Pour on water.

(Repeat London's Burning)
