

Five United Rings

Emily Barden

Verse 1

The colours are strong,
They show we all belong.
All intertwined,
Five rings are the sign.
Blue, black and green,
Red and yellow also seen.
All of these hues,
Are the colours we use,
On this great sporting flag.

Chorus

They stand for every nation,
Each colour can be found,
In the flags of every country joining in.
Every continent is represented,
Our world is bound as one.
All together,
Five united rings.

Verse 2

Asia and Africa,
Australasia and America,
Europe makes five,
Linking rings flying high,
On this great sporting flag.
