

# Galaxy Ride

Patrick Nicholls

## Chorus

Trav'ling on a galaxy ride,  
Spinning around the Milky Way.  
Trav'ling on a galaxy ride,  
Along the space highway.

## Verse 1

Look down there it's Saturn's rings,  
Icy cold, sparkling.  
There's another light passing by,  
Let's be on our way.

## Chorus

Trav'ling on a galaxy ride,  
Spinning around the Milky Way.  
Trav'ling on a galaxy ride,  
Along the space highway.

## Verse 2

Look a black hole up ahead,  
Watch out! Lean in!  
We're drifting away.  
Now we're passing near the Moon,  
That's good!  
I said I'd be home today!

## Chorus

Trav'ling on a galaxy ride,  
Spinning around the Milky Way.  
Trav'ling on a galaxy ride,  
Along the space highway,  
Along the space highway.
