

# Giant Of The Sea

Catherine Brentnall

Way down in the depths of the ocean,  
Lives a monster rarely spied.  
It's as long as a double decker,  
But it's still able to hide.

What can it be,  
This giant of the sea?

It's got eight wiggly arms,  
It's got eight wiggly arms,  
It's got eight wiggly arms,  
This monster of the deep.

What can it be,  
This giant of the sea?

It's got two very long tentacles,  
It's got two very long tentacles,  
It's got two very long tentacles,  
This monster of the deep.

What can it be,  
This giant of the sea?

It's got eyes as big as beachballs,  
It's got eyes as big as beachballs,  
It's got eyes as big as beachballs,  
This monster of the deep.

What can it be,  
This giant of the sea?  
It's the giant squid!
