

Goodnight Princess

Iain Gilmour

Verse 1

No-one could tell if the princess was real,
And they had to be sure that this girl was ideal.
Then the queen said "Oh! I know what to do:
Put a pea in her mattress to see if she's true."

Chorus

Goodnight Princess,
Sleep well, God bless,
Close your eyes,
Sweet dreams to you.
If you sleep tight,
Through the long night,
We will know you are not true.

Verse 2

When she woke up in the dawn's early light,
And they asked how she'd slept in the bed overnight,
She said in spite of the mattresses,
There was a lump in her back causing pain hard to bear.

Chorus

Part 1

Goodnight Princess,
Sleep well, God bless,
Close your eyes,
Sweet dreams to you.
If you sleep tight,
Through the long night,
We will know you are not true.

Part 2

Goodnight Princess,
Sleep well, God bless,
Close your eyes,
Sweet dreams to you.
Goodnight Princess,
Sleep well, God bless,
Close your eyes,
Sweet dreams to you.
