

# Growing

Catherine Brentnall

## Verse 1

My baby brother's very small,  
He can't walk he can only crawl.  
He makes me look really tall,  
But Mum says I was once just as small!

## Chorus

I'm growing,  
Oh yes I'm growing.  
I'm getting bigger, and stronger too.  
I'm growing,  
Oh yes I'm growing.  
So watch out, I'll soon be as big as you!

## Verse 2

My big sister's very tall,  
She can reach the top shelf where Dad hides her ball.  
She makes me look really small,  
But Mum says I will soon be just as tall.

## Chorus

I'm growing,  
Oh yes I'm growing.  
I'm getting bigger, and stronger too.  
I'm growing,  
Oh yes I'm growing.  
So watch out, I'll soon be as big as you!
