

Heartbeats Heroes

Iain Gilmour

Verse 1

We have the skills, we have the will,
To start a new revolution.
When problems start, with someone's heart,
Trust us, we have the solution.
We know the ins and outs of doing CPR,
If there is trouble then you know just where we are.

Chorus

Heartbeats Heroes,
We're keeping an eye out for you.
Heartbeats Heroes,
We always know what we should do.
Don't despair, if things go wrong,
We'll be there, to help along.
Heartbeats Heroes,
Heroes are working for you.

Verse 2

It's sad but true, there's many who,
Don't get the treatment that's needed.
But do not fear, if we are near,
You'll know the training's succeeded.
It's scary when there is a cardiac arrest,
But with us Heroes, well, you're dealing with the best.

Chorus

Bridge

There will be others who should be there on the scene,
We'll need a defibrillator and a paramedic team.
