

Hiya! Hiya! Hiya!

Iain Gilmour

Chorus

Hiya, hiya, hiya, hiya, I'm a hydra.
Got more heads than little legs upon a spider.
Cut one off and two grow back, that might surprise ya.
You will die after you try to kill a hydra.

Verse 1

Two heads are better than one, which means I am best.
I will beat anyone in any contest.
My blood is venomous and chock full of crud.
It takes a single drop to make you say goodbye to life, so

Chorus

Hiya, hiya, hiya, hiya, I'm a hydra.
Got more heads than little legs upon a spider.
Cut one off and two grow back, that might surprise ya.
You will die after you try to kill a hydra.

Verse 2

If you go to Lerna then that's where I stay.
The fumes are poisonous so best stay away.
When you are chthonic then you're down to earth.
Creatures who live in soil will make you say goodbye to life, so

Chorus

Hiya, hiya, hiya, hiya, I'm a hydra.
Got more heads than little legs upon a spider.
Cut one off and two grow back, that might surprise ya.
You will die after you try to kill a hydra. You
will die after you try to kill a hydra. You will
die after you try to kill a hydra.
