

# I Believe In Me

Catherine Brentnall

## Verse 1

Life is a journey that we all make,  
But I determine the path I take,  
It's shaped by my ambition,  
By each and every goal,  
By hope within my soul.  
Each aim accomplished, each dream fulfilled,  
Forming foundations on which I build.  
I know that to my future,  
It's me who holds the key,  
For I believe in me.

## Chorus

I will rise to ev'ry challenge,  
Be the best I can be,  
For I believe in me.

## Verse 2

### Part 1

Life's filled with obstacles, big and small.  
Life's changeability affects us all.  
The path is sometimes winding,  
The sea is sometimes rough,  
But I am strong enough.  
When I am weary, I persevere.  
I keep my focus, when doubts appear.  
Through awkward times and hardship,  
The endpoint I can see,  
For I believe in me.

### Part 2

Ooo  
Ooo  
Ooo  
Ooo  
I believe in me.

## Chorus

I will rise to ev'ry challenge,  
Be the best I can be,  
For I believe in me.

I will rise,  
Oo  
I believe in me.

## Bridge

Believe in me,  
Believe in me.

Believe in me,  
Believe in me.

## Chorus

I will rise to ev'ry challenge,  
Be the best I can be,  
For I believe in me.  
I believe in me.

I will rise,  
Oo  
I believe in me.  
I believe in me.
