

I Like Making Websites

Iain Gilmour

Chorus

I like making websites,
I like using code,
I like adding hyperlinks so other pages load.
I like adding content,
Pictures and the text,
My sites are so popular, count the hits they get.

Verse 1

Ev'ry website, on ev'ry screen,
Has to be programmed before it's seen.
That's what I do, coding the site,
Debugging errors to get it right.

Chorus

I like making websites,
I like using code,
I like adding hyperlinks so other pages load.
I like adding content,
Pictures and the text,
My sites are so popular, count the hits they get.

Verse 2

Ev'ry business, and ev'ry school,
Must have a website, that is the rule.
So I'm busy, work ev'ry day,
Design a website and then I play.
