

I Wanna Be A Rock Star

Stu Brewer

I've been waiting all my years,
Working hard through all the tears,
Making sure I'm good enough,
Making sure I'm ready.
Bass guitar and bashing drums,
Singer singing from their lungs,
Lights and smoke and screaming crowds,
And now we're ready, go!
Here we go!

Verse 1

We're ready, we're steady,
We're gonna play some music for you,
Rocking, head bopping,
Some songs that you can sing along to.
Flashing, lights flashing,
They're flashing in time,
To the music that blasts from the speakers.
We've practised, and practised,
So we can play as well as we can,
Written, song written,
With words that you can understand.
From hundreds, to thousands,
Of screaming and adoring fans,
We're ready, you're ready, it's time to shine.

Chorus

I wanna be a rock star,
I wanna be a rock star,
I wanna be a rock star,
I wanna be a rock star,
I wanna be a rock star,
I wanna be a rock star,
I wanna be a rock star,
I wanna be a rock star,
I wanna be a rock star,
I wanna be a rock star,
I wanna be a rock star!

Verse 2

We started by learning,
From all the very famous people:
Beatles and Elvis, and Pink Floyd and the Rolling Stones,
Then finding the members to form a new band,
And started to write songs together.
We played here, we played there,
We played anywhere that we could,
Recording, transforming,
Performing music like we should.
And then our new album topped the charts,
We were number one,
We've made it, portrayed it, it's time to shine.

Chorus

I wanna be a rock star,
I wanna be a rock star,
I wanna be a rock star,
I wanna be a rock star,
I wanna be a rock star,
I wanna be a rock star,
I wanna be a rock star,
I wanna be a rock star,
I wanna be a rock star,
I wanna be a rock star,
I wanna be a rock star!
