

I Want To Go To The Circus

Hayley Warren

Verse 1

It's that time of year when Mum and Dad despair, I
can see the Big Top over there.
Ev'ry night before I sleep I say to them,
Will it be tomorrow you'll take me there?

Chorus

Part 1

I really want to go, go, go to the circus.
I really want to go, go, go to the circus.
I can't wait to see,
Tightrope walkers and jugglers.
I really want to go, go, go to the circus.
Acrobats, musicians, clowns will laugh and cry.
I can't wait to see it,
Let me get inside!

Chorus

I really want to go, go, go to the
circus.
I can't wait to see,
Fire eaters, jugglers.
I really want to go, go, go to the
circus. CIRCUS!

Part 2

I am
going to the super, magic circus!
Ringside
Seats for ev'ryone.
