

Is There Life Out There?

Music and lyrics by
Catherine Brentnall

$\text{♩} = 120$
C C

Cm Fm Gm Ab Bb C

Loo-king through my tel - e - scope,
so much life here on the Earth,

C Cm

I start to won - der is there,
But Earth is just one pla-net,

Ab Bb C

May - be a pla - netsome-where where there's life?
I ask my- self how can it be just us?

C Cm Ab G

I close my eyes and start to day - dream,
I close my eyes and start to day - dream,

C C

A - bout how al - i - ens might look.____
A - bout what al - i - ens might do.____

Cm Ab Bb

Would they be small and green,
Do they run_ or walk?_

Just like the ones I've seen_
What lan-guage do_ they talk? What

C C

on T. V.?
do they eat?

Cm Ab G C Em/B Am

Or would they look like you and me?_

And would they like to come and meet us?_

Is there life out_ there?

Am Em/G Fm Gm C C

On a pla-net yet un-known, far a - way.

C Em/B Am Am Am Em/G Fm

If there's life out there, Will we e-ver get to go and

Fm Gm Ab G C 1. Fm Bb Ab Bb 2. C

meet with them one day? There's

Am G G F F Em Dm

Ev'-ry night when I'm in bed, Dreams of al - iens

Dm Cm Cm C Fm

fill my head. I travel the galaxy searching for signs of

G G C Em/B Am

life. Is there life out there?

Am Em/G Fm Gm C C

On a planet yet unknown, far away.

C Em/B Am Am Am Em/G Fm

If there's life out there, Will we ever get to go and

Fm Gm Ab G C C C

meet with them one day?—
