

Juggling

Iain Gilmour

(Please note the lyrics for the chorus are staggered to show the entries for the four parts.)

Verse

When you go to a circus, I bet you see,
That one of the acts uses gravity.
Throwing all kinds of objects down and up,
Then trying to catch them and not mess up.

Chorus

Part 1	Part 2	Part 3	Part 4
You gotta' juggle,	See them flying round and round,		
You mustn't struggle,	In the air not on the ground,		
Get in a muddle,	Clubs or balls or diablo,		
You gotta' juggle,	Fire torch if you want a glow,	Keep your hands in perfect sync'.	
		Focus now you must
