

# Keep That Heartbeat

Iain Gilmour

## Verse 1

Someone's in trouble,  
What will you do?  
Check if they're breathing,  
Or talking too.  
Time to get help now,  
Call 999.  
Roll both your sleeves up,  
Because it's time.

## Chorus 1

Remember all the things they said,  
When the medics trained you,  
Keep that heartbeat.  
Now's the time for CPR,  
It's up to you,  
Remember keep that heartbeat.

## Verse 2

Lock hands together,  
Place on the chest.  
Keep both your arms straight,  
You know the rest.  
Get in a rhythm,  
Deep ev'ry time.  
Just keep on going,  
You're doing fine.

## Chorus 2

If you're tired swap with a friend,  
It can't stop,  
Remember keep that heartbeat.  
Keep it up 'til help arrives,  
Don't give up,  
Remember keep that heartbeat.

## Repeat Verse 2

## Chorus 2

If you're tired swap with a friend,  
It can't stop,  
Remember keep that heartbeat.  
Keep it up 'til help arrives,  
Don't give up,  
Remember keep that heartbeat.  
Keep that heartbeat.  
Keep that heartbeat.
