

Look At Us

Iain Gilmour

Chorus

Look at us we'll entertain you,
Look at us we'll make you smile,
Look at us we're what you need to slay them in the aisles!

Verse 1

I've got jokes, I've got gags, I've got anecdotes,
You will laugh until you cry,
And the way that I tell them is quite unique,
There is none as good as I!
Or if you want a little more, visual surprise,
Just give me a bright red nose and a load of custard pies!

Chorus

Verse 2

I've got a voice that could launch several thousand ships
With a voice made in heaven above.
And I'll capture your heart like a balladeer as I sing a song of love.
Or if you want a little more, an aria or three,
Just give me a great fat tum and a voice like Pavarotti!

Chorus

Verse 3

I can fly through the air like a graceful bird,
I'm so light on my feet it's true.
I can jump, I can leap, I can pirouette,
I'm the best of the dancing crew.
Or if you want a little more, a gentle pas couru,
Just give me a leotard or a pretty pink tutu!
