

# My Dream Job

Iain Gilmour

I don't know what I will do when I grow old and I leave school,  
Still not sure of my career, but I'll find inspiration here.

## Chorus

What will I do?  
What will I see?  
What is my dream job gonna be?  
Not up to you,  
It's up to me,  
What is my dream job gonna be?

## Verse 1

I could be a teacher helping you to read and write,  
I could be an astronaut among the stars at night.  
I could be a doctor curing mankind of disease,  
I could be a vet and rid your dog of all its fleas.

## Chorus

What will I do?  
What will I see?  
What is my dream job gonna be?  
Not up to you,  
It's up to me,  
What is my dream job gonna be?

## Verse 2

I could be a postman so your letters will arrive,  
I could be a firefighter who bravely saves a life.  
I could be an architect with buildings bright and new,  
I could be a judge and into prison would put you!

### **Chorus**

What will I do?  
What will I see?  
What is my dream job gonna be?  
Not up to you,  
It's up to me,  
What is my dream job gonna be?

### **Verse 3**

I could be a rock star playing gigs at the O2,  
I could be a paramedic in the first aid crew.  
I could be a footballer who wins the FA Cup,  
I could be a policeman locking all the baddies up.

### **Chorus**

What will I do?  
What will I see?  
What is my dream job gonna be?  
Not up to you,  
It's up to me,  
What is my dream job gonna be?
