

No One Wraps Like An Elf!

Out of the Ark Music

Chorus

No one wraps like an elf,
It's what we do.
We're not the tallest, no not by far,
But we'll wrap circles round you.
No one wraps like an elf,
It's what we do.
We're not the tallest, no not by far,
But we'll wrap circles round you.

Verse 1

Yo, Bobble Elf, what's the hardest thing you've ever had to wrap?
Yo, Mr Elf, I'mma tell you a story all about that.

(Spoken)

*I once wrapped a gift so big I got lost.
When I pulled the paper from the bottom to the top,
But it looked so good and the elves did sing,
'I'm an elf, I'm a pro, I can wrap anything'.*

Chorus

No one wraps like an elf,
It's what we do.
(Spoken) A-o, a-o!
We're not the tallest, no not by far,
But we'll wrap circles round you.
(Spoken) Say what?
No one wraps like an elf,
(Spoken) A-ha!
It's what we do.
(Spoken) Amen!
We're not the tallest, no not by far,
But we'll wrap circles round you.

Verse 2

Yo, Bible Elf, you remember the time you were wrapping round the clock?

Yo, Mr Elf, I remember it well, we were running outta stock!

(Spoken)

Well, I wrapped and I wrapped and I wrapped all day,

And I used all the paper and we ran out of tape,

But the gifts got sent with a sparkle and shine,

So I love my life on the packaging line.

Chorus

No one wraps like an elf,

It's what we do.

(Spoken) A-o, a-o!

We're not the tallest, no not by far,

But we'll wrap circles round you.

(Spoken) Say what?

No one wraps like an elf,

(Spoken) A-ha!

It's what we do.

(Spoken) Amen!

We're not the tallest, no not by far,

But we'll wrap circles round you.

Verse 3

Yo, Little Elf, can you tell us the time that you fell into the pile?

Hey, Mr Elf, what story to tell, I'd forgotten for a while.

(Spoken)

Well, I seem to recall I was headed on a break,

When I tripped and I fell and I made a mistake,

And I went down, down to the bottom of the gifts,

And they got me out with a large forklift!

Chorus

No one wraps like an elf,
It's what we do.
We're not the tallest, no not by far,
But we'll wrap circles round you.

Bridge

(Spoken)

*All the gifts are stacked
And they'll soon be in the sack,
All perfectly wrapped,
Coz we got the knack.
So, we're bringing the joy to every girl and boy,
Because we wrap the toys,
Which we know you'll enjoy,
Coz we know our stuff,
We know our gifts,
We know how to pack them,
And make them perfectly fit.
So, it's Christmas time and we're singing in rhyme
Coz we think you'll find that, we think you'll find that:*

Chorus

No one wraps like an elf,
It's what we do.
We're not the tallest, no not by far,
But we'll wrap circles round you.

(Spoken)

Break it down!

No one wraps like an elf,
It's what we do.
We're not the tallest, no not by far,
But we'll wrap circles round you.
