

Penguin Song

Music and lyrics by Joy Golledge

Verse 1

Look at the penguins with bodies so sleek,
As they whoosh through the water at fantastic speed.
Look at the penguins they waddle and slide,
As they whoosh through the water then onwards they glide.

Chorus

They go whoosh, splash, whoosh and a splash,
Whoosh, splash, whoosh and a splash.

Verse 2

Look at the penguins they're searching for food,
As they whoosh through the water as all penguins do.
Look at the penguins they swim while they play,
As they whoosh through the water then jump from the waves.

Chorus

They go whoosh, splash, whoosh and a splash,
Whoosh, splash, whoosh and a splash.
