

# Shark With A Heart

Emily Barden

## Chorus

I'm a shark with a heart,  
Don't wanna eat you.  
Get my tea in the sea,  
Don't need no human too.  
Don't believe the scary films you see on TV,  
I'm a shark with a heart,  
You can be friends with me.

## Verse 1

When they see my fin people scream and start runnin',  
I can sense their fear whenever I'm near.  
My reputation as one angry kinda swimmer,  
Makes people think I want them for my dinner.

## Chorus

## Verse 2

There's something 'bout me that you need to get right,  
All made up of cartilage not a bone in sight.  
King of the blue waves I'm the top of the food chain,  
If I lose a tooth another grows back again 'cos

## Rap

Coming from the beach to the info shack,  
And listen to the facts about shark attacks.  
More people every year are killed by pigs and bees,  
So leave me alone, so I can swim in my seas.

## Chorus

I'm a shark with a heart,  
Don't wanna eat you.  
Get my tea in the sea,  
Don't need no human too.  
Don't believe the scary films you see on TV,  
I'm a shark with a heart,  
You can be friends with me.

(Repeat chorus twice more)
