

Shooting Star

Iain Gilmour

Verse

Twinkle twinkle little star,
I still wonder what you are.
Will my wishes still come true?
Can you tell me what to do?

Chorus

Look up in the evening sky,
See a shooting star go by.
Make a wish with all your might,
And send it up into the night,
And don't forget what you have done,
Wait until the morning sun,
Then with children just like you,
You'll see if wishes on a star come true.

Look up in the evening sky,
See a shooting star go by.
Make a wish with all your might,
And send it up into the night,
And don't forget what you have done,
Wait until the morning sun,
Then with children just like you,
You'll see if wishes on a star come true.
You'll see if wishes on a star come true.
