

Southsea Castle

Catherine Brentnall

Chorus

Southsea Castle watching over the sea,
Thick stone walls, shrouded in mystery.
Southsea Castle watching over the sea,
Unlock your secrets, tell me your history.

Verse 1

Like how Henry the Eighth had you built in fifteen forty-four,
In case the French should try to invade this shore,
To defend England during forthcoming wars.

Chorus

Southsea Castle watching over the sea,
Unlock your secrets, tell me your history.

Verse 2

Like how barely a year had the castle been complete,
When Henry saw the advance of the French fleet,
And called to battle all his navy's elite.

In the battle that arose,
His flagship the Mary Rose,
Sank beneath the waves.

Chorus
