

# The Age Of Speed

Patrick Nicholls

## Chorus

The age of speed,  
The age of speed,  
It's what we need,  
It's a race to the line.  
You'll be swooping and swerving,  
Twisting and turning,  
Engines all humming in time.

## Verse 1

Zooming up high in the sky,  
Showing the world how to fly.  
Feeling the wind in your face,  
Reaching first place in the race.

## Chorus

The age of speed,  
The age of speed,  
It's what we need,  
It's when records are made.  
Be the first you'll be king of the age.

The age of speed,  
The age of speed,  
It's what we need,  
It's celebrity time!  
Make the news,  
In the paper headlines.

## Verse 2

Faster and faster the wheels spinning round,  
Higher and higher they lift from the ground.  
Up through the sky, clouds passing by.

## Chorus

The age of speed,  
The age of speed,  
It's what we need,  
Go faster, go higher,  
You'll be a high flier.  
Sit on top of the world.
