

The Comet

Hayley Warren

Chorus

Soaring through the air and cutting through the darkness,
Fire blinding bright on the super space highway,
Soaring through the air and cutting through the darkness,
Fire blinding bright.
You can see it tonight!
Fly like the comet!
Fly like the comet!

Verse

Ground control will wait to see,
If this wonder of the sky, so fast and free,
Will it hit us?
Will it miss us?
Will it blow us all away?
Intergalactic space dust for eternity.
Fly like the comet!
Fly like the comet!

Chorus

Soaring through the air and cutting through the darkness,
Fire blinding bright on the super space highway,
Soaring through the air and cutting through the darkness,
Fire blinding bright.
You can see it tonight!
Fly like the comet!
Fly like the comet!
Fly like the comet!
