

The Cretan Bull

The Seventh Task

Iain Gilmour

Verse 1

It's incredible,
Unexplainable,
To be capable,
Get the Cretan bull?
I'm adaptable,
But I'm sceptical as well.
It's debatable,
If it's catchable,
Could be horrible,
If it's miserable.
It's the Cretan bull,
It's a big gamble, oh well!

Verse 2

It's inev'table,
That I'm vulnerable,
It's questionable,
If it's achievable.
I'm not gullible,
Irreplaceable as well.
If it's trainable,
Then it's fav'able,
And attainable,
But uncomf'table.
I'm persuadable,
That the Cretan bull could be mine.
