

# Waving Not Drowning

Iain Gilmour

## Verse 1

Welcome to my ocean floor, it's good that you're around,  
Grab yourself a rock to stick to, that's where I am found.  
Don't be fooled by how I look, I know I'm cute as pie,  
But I am a predator, come in and you will die.  
My little tentacles they tempt you to come in,  
But then my nematocysts give you a big sting.  
You'll end up paralysed so can't begin to fight,  
Against my central mouth that kills you with a bite.

## Chorus

Waving not drowning I'm a sea anemone,  
Waving not drowning I'm the flower of the sea.  
Waving not drowning come and give me a high five,  
Waving not drowning chances are you won't survive.

## Verse 2

That little clownfish is a good buddy of mine,  
I let him live in me, he tickles all the time.  
It's not me being kind you'll see we have a deal,  
He gives me scraps of food so won't become a meal.

## Chorus

Waving not drowning I'm a sea anemone,  
Waving not drowning I'm the flower of the sea.  
Waving not drowning come and give me a high five,  
Waving not drowning chances are you won't survive.

Waving not drowning I'm a sea anemone,  
Waving not drowning I'm the flower of the sea.  
Waving not drowning come and give me a high five,  
Waving not drowning chances are you won't survive.  
Chances are you won't survive.  
Chances are you won't survive.  
Yee-ha!
