Think of all the ways that you
Think of all the ways that you
Think of all the ways that you
Think of all the ways that you
Think of all the ways that you

F F(add9)/CC C F G(sus4) G

use your sen-ses, Think of all the things that your eyes can see.
use your sen-ses, Think of all the things that your ears can hear.
use your sen-ses, Think of all the things that your tongue can taste.
use your sen-ses, Think of all the things that your nose can smell.
use your sen-ses, Think of all the things that your hands can feel.
